EU Funding

BRC Funding

Hello and welcome to October's first R&I bulletin. We had a short break due to changes in our team, and we would now like to welcome Dr Valerie Karaluka, who joint the R&D office as a Research Grants Facilitator. Valerie will be delivering pre-award support to GOSH and UCL GOS ICH researchers in grants advice.

The Provost will host a Town Hall meeting to discuss Brexit with the UCL Community to speak about the latest events surrounding Brexit. **Stay up to date with a dedicated website [UCL and Brexit](#).**

[Leverhulme Doctoral Scholarships](#)

This scheme grants 10 awards of £1.05M each to UK Universities to fund 15 Leverhulme Doctoral Scholarships per award. Only one bid is accepted per UCL and therefore UCL will be implementing an **internal selection process** in due course. The [SLMS Research Coordination Office](#) can help with any queries. Call will be announced in December 2019.

Please ensure you acknowledge the BRC in your publications. NIHR Great Ormond Street Hospital Biomedical Research Centre (BRC) has provided important infrastructure funding for research at the Great Ormond Street Institute of Child Health (ICH) and Great Ormond Street Hospital (GOSH), since we were first awarded BRC-status in 2007. This research infrastructure contributes to all research that goes on at the ICH and GOSH, and it is very important that it is acknowledged in all our publications, including conference and meeting abstracts. Full details of how to acknowledge the BRC can be found [here](#).
