Line Manager Endorsement

Line managers should be supplied by learners with teaching dates/supervision requirements for each module, ahead of signing this document.

I am hereby confirming the ability of the service, to facilitate the candidate's training during the above-named programme/module. This includes a commitment of the service to fund, support, mentor and supervise the clinical development of the individual.

I hereby confirm that the above candidate has an identified clinical supervisor and will be released from duty to attend study dates.

I commit to making every effort to ensure the candidate is allowed maximum training opportunities but reserve the right to withdraw this in extreme circumstances which will directly impact clinical service/ patient care.

Supervisor endorsement

Students are expected to undertake a period of clinical supervised practice comprising of 36 hours of direct supervision and 180 hours of indirect supervision per semester.

The Educational Supervisor must be either a:

- I. A Qualified Doctor (minimum ST4 Registrar level with experience of education)
- II. An Advanced Clinical Practitioner who has successfully completed a minimum of a PgDip ACP award at least 3 years ago (HEE, 2024)

In the event the named Educational Supervisor is on leave for a prolonged period of 4 weeks or more a delegate or replacement supervisor should be identified, and the Module Leader should be updated.

Summary for supervisors:

- Supervised clinical hours: 36 hours in total (50% of which need to be with the designated Educational Supervisor) per semester.
- Provide dedicated 1:1 teaching, including case-based discussions and complex decision making.
- Participation in regular progress meetings to discuss action plans and milestones achieved.

I can confirm that I am happy and suitable to act in this capacity for this student during their studies. I will support the student with all educational opportunities and advocate for their ongoing training.
